Test cases ?

Test cases ?

Last item not show ?

Scroll to last item ?

Click row ?

Toggle click ?

etc

Try it yourself

```
onView(withText(LAST_ITEM))  
    .check(doesNotExist());
```

Trick with hamcrest

```
onData(allOf(  
    is(instanceOf(Map.class)),  
    hasEntry(equalTo(LongListActivity.ROW_TEXT),  
    is(value))));
```
